LEARN MORE ABOUT GMSA HERE:

VOLUNTEERING

Volunteering with GMSA provides the opportunity to be involved with your child's sports! There are various volunteer positions available depending on your commitment level and require no previous experience!

VOLUNTEER POSITIONS AVAILABLE

- **Coaches** (U5, U7, U9, U12, U15, Female team)
- **Assistant Coaches** (U5, U7, U12, U15, Female team)
- **Parent/Coach Liaison** (U5, U7, U9)

BOARD POSITIONS AVAILABLE

- **Registrar**
- **Sponsorship Coordinator**
- **U9 Rep Team Manager**

It is crucial that we have involvement from U5, U7 and U9 parents this year! Without more parent involvement, these programs will be unable to run successfully.

Although there is **no pressure** to volunteer or join the board, more involvement will support our goal to create a better GMSA for our community!

REP TEAMS VS HOUSE TEAMS

Two years ago, GMSA began offering competitive soccer options alongside our regular House program.

What is Rep Soccer?

A Rep team offers youth the opportunity to play soccer at a competitive level. Golden has U11 and U13 rep teams. These players still play on House teams but have additional practice days and travel to tournaments in neighbouring communities. **The Rep team has a separate registration.**

Joining the Rep team is not required!

Rep players still play recreationally and are **spread out between all teams** to ensure even levels between teams. The rep team **does not interfere** with House schedules or games, so players do not need to prioritize one over the other.

House soccer is, and always will be, the core of GMSA. The Rep teams are an added opportunity to offer community members more options.

If you are interested in applying to coach Rep, please email chantellelacasse88@gmail.com
